<b>Comments</b>	<input type="text" value="In recent years the village has seen a disproportionate amount of development within a small area and NOT enhancing the village. This has led to a strain on our roads, especially around the post office/ village hall area, and car parking on pavements blocking footpaths. There is inadequate health care facilities and a lost of wildlife habitat. The developments are causing an increase in flooding in the area and a lost of our village environment. These housing estates are creating an environment that doesn't blend into or enhance our village."/>
