Comments	<p>New estates are having a negative impact on society not being and positives or additions to infrastructure.</p> <p>Large poorly built estates just profiting housing company's</p> <p>Impact on already strained medical services. GP surgeries already over subscribed and dentist unable to take new patient.</p> <p>Impact of increased traffic through the village and when exiting onto the A41 as this is route notorious for accidents and is even more dangerous now as it is a HS2</p> <p>Impact on already strained utilities including water availability and pressure, power and internet</p> <p>Lack of infrastructure and amenities (no restaurants, limited sports facilities, shop which does not meet needs of the village, pub that is basically in someone's front room)</p> <p>Schooling - both primary and secondary.</p> <p>Availability of sixth form education as children in the current Year 7, 8 and year groups will not have access to a sixth form at Whitelands Academy</p> <p>Insufficient public transport links</p> <p>Lack of facilities for older children</p> <p>Noise impact</p> <p>Environmental impact (crested newts, deer, badgers, foxes etc.)</p> <p>Repeated flooding of land off Ploughley Road and the impact building on this land will have</p> <p>Crime in village not being managed more people will not help this</p>
