5 - Prior to the occupation of the development there should be measures in place to encourage the uptake of low emission transport including the provision of Electric Vehicle (EV) charging infrastructure. We require EV charge points to 25% of the proposed parking and ducting to the rest of the parking spots to allow for the easy expansion of the EV charging system to allow for the future uptake of EV's by staff and visitors to maximise opportunities for sustainable transport in accordance with Government guidance contained within the National Planning Policy Framework.
