Comments from OCC Travel Plans

It is my understanding from looking back through the files (21/04171/F) that a Travel Plan Statement was requested for this application?

The submitted document entitled 'Travel Plan' should therefore be a statement.

The document does not contain the level of information required for me to approve the document and recommend discharge of condition. It is therefore advised that the applicant consults appendix 4 of the OCC guidance document 'Transport For New Developments – Transport Assessments and Travel Plans March 2014' to ensure all criteria has been met before revising and resubmitting for approval. A copy has been attached with this response for ease of reference.

I am happy for the applicant to contact us directly with any further questions or queries they may have - travelplan@oxfordshire.gov.uk
