<b>Comments</b>	<p>Road access is dangerous More houses means more traffic and we have too much in the village. The wildlife - foxes, badgers,deer,red kite, buzzard, many other birds, bats, hedgehog and newts all use this land On a personal note I will have people looking into my bedroom and living room. My peace and stress free haven will be ruined affecting my health My family and I have been in the village for 50 years and I was lucky to move to this property because of the view and peace away from the maddening world So I hope you understand why I object to this development One last note, if these are built many more will follow and Kirtlington will not benefit anything from this</p>
