Type of Comment	<input type="text" value="Support"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I and a good few of the local people feel this would be an excellent project to increase to availability of new homes for the younger generation who would love to remain in the village they were born in. Also it will help to secure the future of not only the village school but also our links to public transport, it may also secure the start up of the new community shop. This village needs new blood in an ageing population."/>
