For the kind attention of Mrs Morgan

I object to this outline planning because

- a) the site has already had planning permission refused twice
- b) this application is a precursor for a larger development
- c) the ingress and egress is extremely dangerous being on a half blind corner to traffic exiting the Village and half blind to incoming traffic coming up the hill from the golf club.
- d) there is no proposed social housing and houses abutting the residents of Oxford Close would not be compatible.

Trusting this will be thrown out

Regards

David Pratt (past Chairman of Kirtlington Parish Council)
