

NOTES:

Following on from instruction at recent meeting with OCC Highways, where standard construction details are available from OCC, these should be quoted and made available as part of associated applications (e.g. Section 278 & 38 Agreements, etc) and form the basis of site works once approved by respective Technical Audits.

The following HSD (Highway Standard Details) are to be considered in this instance (copy provided):

Oxfordshire County Council – Highway Standard Details

HSD-100-030	Highway Boundary Marker Details
HSD-500-170	Gullies
HSD-700-005	Pavement Construction: Minor Access Road
HSD-700-010	Pavement Construction: Major Access Road
HSD-700-030	Flexible Construction Joint
HSD-700-120	Traffic Calming – Rumble Strip
HSD-700-125	Raised Table Junction
HSD-1100-005	Footway Type 1 with Verge
HSD-1100-010	Footway Type 2 Adjacent to Carriageway
HSD-1100-020	Edgings to Footways and Footpaths
HSD-1100-025	Vehicle Crossings: Domestic and Heavy Duty
HSD-1100-035	Tactile Crossing in Footways
HSD-1100-060	Concrete Kerbs & Channels

NB: Additional HSDs or bespoke details to be agreed with OCC Highways.
