Proposal	Installation of ground based solar panels with a total surface area of 18 square metres
Case Officer	Michael Sackey
Organisation	
Name	Martin & Oonagh Garnham
Address	Folly Cottage, Main Street, Sibford Ferris, Banbury, OX15 5RG
Type of Comment	Support
Type	neighbour
Comments	We write to support this application. It is difficult to do things to reduce carbon footprint in a village environment, this installation will support The Long House continued commitment to being energy efficient and as carbon neutral as possible. As one of the few houses which overlooks the area where these panels will be we have no problem with them and fully support this application.
