Details of customer enquiry:

Reference Planning Applications: 22/03702/SO & 22/02866/OUT 22/02866/OUT: I have already submitted my objections to the proposed development, in particular the inclusion of an access route from the site through West Hawthorn Road, a long established community that is maintained through a private, resident funded, management company, NOT CDC or OCC. I have noticed that an Environmental Impact Assessment has been completed for the site (22/03702/SO) - of particular concern to me are sections 1.5; 3.1 & 5.25 which refer to West Hawthorn Road; however, nowhere in the assessment does it cover the environmental impact of the development upon West Hawthorn Road, for a true assessment to be made this is a major omission and the current assessment should be rejected and the remit widened to include all areas that will be impacted by the development. Please could I ask that my objections are formally registered, Angela Jones
