Hi Laura

Thank you for flagging this.

The revised TEMP responds to the questions I raised in my submission in February 2023. The development is shown to have engaged apprentices in the earlier phases with the expectation of their continuing. The local supply chain is also illustrated. However, there is an error in referring (in paragraph 4.3) to South and Vale DC – rather than CDC economic growth.

I hope the development is able to proceed and look forward to assisting the occupation phase of the units.

Regards, Steven

Hi Steven

Please could you let me have any comments you wish to make on the amended TEMP (re-consult response due 3/5/23) asap? If I don't hear back from you by 17/5/23 I shall assume that you are content with the submission and proceed to discharge the condition.

Many thanks
