Hi Rebekah

I have looked over the planning application above and have the following comments:

Planning Application: 22/03756/F

Location: Wendlebury Park Farm, Wendlebury Road, Chesterton, Bicester, OX25 2PE

Description: Additional building within existing yard area for associated B1 and B8 use.

Planning Officer: Rebekah Morgan

Recommendation

Oxfordshire County Council, as the Local Highways Authority, notify the District Planning Authority that they **do not object** to the granting of planning permission.

Comments

The developer has submitted revised plans of the site to include E/V charging points that I previously conditioned, I raised no other concerns regarding this application.

Overall, this proposal is unlikely to have any detrimental impact on the highway in terms of safety or convenience. Therefore, OCC **do not object** to the granting of planning permission.

If you would like to discuss this application further, please do not hesitate to contact me.

Kind regards
