Notification was submitted of completion of the play area and Cherwell DC were requested to attend site and inspect the play area. Upon visiting site it was noted that the play area installed was not as per the approved landscaping drawings. Upon review it appears following the approval of the landscaping plans, that another play area design was produced and approved via email by Judith Ward - Cherwell DC Landscaping Planning Officer. The new design was never re-submitted for approval.

This application formally submits the revised design, which has been installed.
