Subject

Padbury Brook Application (22/03873/F)

Email

Dear Cherwell DC Planning Officers,

I am writing to register support for JBM Solar's proposals to develop the Padbury Brook Solar Farm in Cherwell (Application Reference: 22/03873/F).

I support this application because....

'We are in a cost-of-living and climate crises, and need affordable, clean sources of electricity generation to address these. This proposal is strongly in line with Cherwell DC's own net-zero targets, and benefits from support from the local development plan with regards to supporting the deployment of renewable energy generation. The application will also encourage a considerable (215%) net gain to local biodiversity. As such, I hope Cherwell District Council is able to support this planning application and recommend it for approval.'

Yours faithfully,
Stephen Herbert
