Comments	<input type="text" value="My full comments on and objection to this planning application are set out in the statement which is attached as a PDF. (Please confirm receipt of that statement) My main grounds of objections relate to unacceptable landscape and visual impacts and harm to highway safety during the construction period. I also have concerns as regards potential adverse effects on residential amenity, particularly in relation to operational noise, and also during the construction period. However, subject to changes to the Noise Assessment and the imposition of planning conditions which I have suggested, and as discussed with the applicant's representative."/>
