Subject: Padbury Brook Application (22/03873/F)

Message:

To whom it may concern,

I am writing to express my support for the Padbury Brook Solar Farm (Planning Application Reference 22/03873/F).

I support this application because this proposal is strongly in line with Cherwell DC's own net-zero targets, and benefits from support from the local development plan with regards to supporting the deployment of renewable energy generation.

I also support this application because we need to secure our domestic energy supply, and move away from expensive imported fossil fuels.

As such, I hope Cherwell District Council is able to support this planning application and recommend it for approval.

Yours faithfully,
Anastasia Unitt
