**Message:**

To whom it may concern,

I am writing to express my support for the Padbury Brook Solar Farm (Planning Application Reference 22/03873/F).

I support this application because protect animals

I also support this application because we need to secure our domestic energy supply, and move away from expensive imported fossil fuels.

As such, I hope Cherwell District Council is able to support this planning application and recommend it for approval.

Yours faithfully,  
Mary Ward
