Subject: Padbury Brook Application (22/03873/F)

Message:

To whom it may concern,

I am writing to express my support for the Padbury Brook Solar Farm (Planning Application Reference 22/03873/F).

I support this application because this proposal is strongly in line with Cherwell DC's own net-zero targets, and benefits from support from the local development plan with regards to supporting the deployment of renewable energy generation.

I also support this application because the application will also encourage a considerable (215%) net gain to local biodiversity, a significant benefit.

As such, I hope Cherwell District Council is able to support this planning application and recommend it for approval.

Yours faithfully,
Shaun Mullins
