**Message:**

To whom it may concern,

I am writing to express my support for the Padbury Brook Solar Farm (Planning Application Reference 22/03873/F).

I support this development of local renewable energy because we are in a climate emergency and must act now.

I support the plans for Padbury Brook Solar Farm because we need more sources of renewable energy in Cherwell.

I believe Cherwell District Council should approve this application because Cherwell Council must play their part in tackling climate change locally.

As such, I hope Cherwell District Council is able to support this planning application and recommend it for approval.

Yours faithfully,  
John Melrose
