Subject: Padbury Brook Application (22/03873/F)

Message:

To whom it may concern,

I am writing to express my support for the Padbury Brook Solar Farm (Planning Application Reference 22/03873/F).

I support this development of local renewable energy because we must transition to a low-carbon society.

I support the plans for Padbury Brook Solar Farm because it will best utilise the land, generating energy while also still being used for farming.

I believe Cherwell District Council should approve this application because Cherwell Council has declared a climate emergency and we must take action now.

As such, I hope Cherwell District Council is able to support this planning application and recommend it for approval.

Yours faithfully,
