Subject: Padbury Brook Application (22/03873/F)

Message:

To whom it may concern,

I am writing to express my support for the Padbury Brook Solar Farm (Planning Application Reference 22/03873/F).

I support this development of local renewable energy because we need to secure our domestic energy supply.

I support the plans for Padbury Brook Solar Farm because it will considerably improve opportunities for local wildlife, achieving a biodiversity netgain of over 200%.

I believe Cherwell District Council should approve this application because Cherwell Council must play their part in tackling climate change locally.

As such, I hope Cherwell District Council is able to support this planning application and recommend it for approval.

Yours faithfully,
Jill Blincowe
