Subject: Padbury Brook Application (22/03873/F)

Message:

To whom it may concern,

I am writing to express my support for the Padbury Brook Solar Farm (Planning Application Reference 22/03873/F).

I support this development of local clean energy sources because we are in a climate emergency and must act now.

I support the plans for Padbury Brook Solar Farm because it will generate clean energy for 16,680 UK homes, saving over 1.3 million tonnes of CO2 per year.

I believe Cherwell District Council should approve this application because Cherwell Council must support developments that provide clean energy and help to tackle climate change locally.

As such, I hope Cherwell District Council is able to support this planning application and recommend it for approval.

Yours faithfully,
