Subject: Padbury Brook Application (22/03873/F)

Message:

To whom it may concern,

I am writing to express my support for the Padbury Brook Solar Farm (Planning Application Reference 22/03873/F).

I support this development of local clean energy sources because Padbury Brook solar farm would save over 1.3 million tonnes of CO2 per year.

I support the plans for Padbury Brook Solar Farm because as well as generating energy, the site can still be used for pastoral farming, helping us to reinforce both food and energy security.

I believe Cherwell District Council should approve this application because we cannot rely on others. Cherwell Council must make change locally and play their part in securing our future.

As such, I hope Cherwell District Council is able to support this planning application and recommend it for approval.

Yours faithfully,
Richard Fowles
