**Message:**

To whom it may concern,

I am writing to you today to register my support for the Padbury Brook Solar Farm (reference 22/03873/F).

I support this application because

I also support this application because

Cherwell District Council declared a climate emergency in 2020, and the approval of applications like are crucial if this is to mean anything. The application benefits strongly from policies PSD1, ESD1, ESD5 and ESD10 of the adopted Local Development Plan which seeks to promote renewable energy, the protection and enhancement of biodiversity, and mitigate against climate change. As such, I hope officers and members of the planning committee are able to support this planning application, and it is recommended for approval.

Yours faithfully,  
Janet Jarrett
