Comments	<p>Ugh, here we go again.....It's so tiresome to have to lodge another complaint again against yet more proposals for another version of this unwanted and unnecessary development within our village. Yet another attempt to secure consent through persistent determination to grind down the local community in the hope that we will give up the fight. Nothing has changed in terms of the reasons why this is latest application is just as unacceptable as those which have gone before. There is just NO NEED for these new units in a village setting. Go to Banbury, Chippy, Oxford or Bicester if you need an industrial unit!</p> <p>The narrow and rural country lanes through both Steeple and Middle Aston cannot be used to justifiably deal with the traffic which WILL arise from the construction and ongoing operation of the units. The villages are already chaotic at school drop off and pick up, and often in between. These proposals will endanger lives in that regard.</p> <p>Step up Cherwell - draw a line under this. Let common sense prevail by refusing this application. It's in wrong place and will cause significant harm to the local environment and communities.</p>
