Comments	<input type="text" value="The vila has seen so many new projects around it. Before we were a peaceful vilage. Now we have cars running at 30, 40 miles per hour inside of our vila. The amount of traffic in the rush time is about 30 cara per minute. We have around our vila, still space for the deers, rabbits, a reasonable amount of wild life. So many new projects of news houses are happening around that our villa is going to be mergede inside of Bicester. No respect for the animals, no respect for the people and just greed over more and more houses wherever there is space."/>
