Comments	<p>I am writing to express my strong objection to the proposed development of 147 new homes in Chesterton village. I understand that this development would bring much-needed housing to the area, but I believe that it would come at too high a cost.</p> <p>My primary concern is the insufficient infrastructure and amenities in the area. Chesterton village is already struggling to cope with the demands placed upon it by the current residents, and the addition of so many new homes would only exacerbate this issue. I am worried that this development would put undue strain on local services such as healthcare, education, and public transportation.</p> <p>Furthermore, the proposed development would damage the local wildlife habitat. Chesterton village is home to a number of important habitats and species, and I fear that the construction of 147 new homes would have a devastating impact on the local ecosystem.</p> <p>I understand that there is a need for new housing in the area, but I believe that this development is not the answer. I would like to urge you to reconsider the proposal and to work with local residents to find a solution that benefits everyone.</p> <p>Thank you for your time and attention.</p> <p>Sincerely,</p> <p>Robin Reeves</p>
