Comments	<input type="text" value="The field opposite has already been turned down for housing as not suitable in a rural community.
This application is outside the local plan and there are no metalled foot or cycle paths out of the village, I gave up road running out of the village years ago as just too dangerous and with the increasing traffic I don't even use my bike anymore.
No school places, no shop, no bus service, no infrastructure, no jobs so more commuters onto an already overloaded road system."/>
