<b>Type of Comment</b>	<input type="text" value="Objection"/>
<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<p>My reasons for objection are as below:</p> <ul style="list-style-type: none"><li>- Traffic is already bad in the village due to it being a rat run for Bicester to the M40 junction, if this happens on top of the development which was golf course is going to cause issues.</li><li>- Impact on scenery and walks which around green lane provide would be made less appealing due to this.</li><li>- The building process will affect, environment, highway safety, landscape impact &amp; any nature conservation which could be in this area.</li></ul> <p>I feel it would worsen the point of living in a village and only being here since September would frustrate me since moving to the area was for a village location not making it bigger.</p>
