<b>Comments</b>	<input type="text" value="I object to this proposal. Over the last few years Chesterton Village has been changed unbelievably . Over the last few years the size of Chesterton has nearly doubled . Approximately 100 new homes. Now you are asking us, as a village, to take another 147 houses. I live in Chesterton. The roads are not good now , apart from a very small part of road along The Hale the roads have not been improved. The majority of the length of The Hale is inadequate in width for two reasonable size cars. The road out of Chesterton towards Gagle Brook is also in a terrible state. I haven't mentioned the new Wolf Resorts development which will have a massive impact on this tiny village. I don't understand why this is even being considered. I've lived in Chesterton since 1996. Bicester village and the ever increasing size of it, Kingsmere Estate, Holiday Inn Hotel, David Lloyd Gym, development of houses along The Hale , Wolf Resorts Water Park, development at Vespasian Way, Bicester Retail Park, Tesco Superstore and Mac Donald's. All of these are within a mile of my village. Traffic congestion has increased. It goes without saying the environmental pollution has also increased. The roads around Chesterton are no longer as safe as they should be. Chesterton now is more of a rat run than ever. I can say that with a degree of certainty because I see it . You must turn this application down . Chesterton has had its fair share of developments over the years. No more is required. Thanks Paul and Jen"/>
