| Case Officer | <input type="text" value="Andrew Thompson"/> |
| Organisation Name | <input type="text" value="Valerie Sullivan"/> |
| Address | <input type="text" value="8 Fortescue Drive, Chesterton, Bicester, OX26 1UT"/> |
| Type of Comment | <input type="text" value="Objection"/> |
| Type | <input type="text" value="neighbour"/> |
| Comments | <input type="text" value="Yet again our small village is being targeted for the benefit of private land owners. Our road systems are inadequate for the amount of traffic already using them, we have no alternative living here than to have a car, as our bus service was taken away several years ago. It is good that we have an excellent primary school in the village, but it's success has encouraged out of village families to choose it, causing more and more traffic, especially at school times. The Alchester road is totally overwhelmed at these times, and trying to get in or out of the village, should you have an appointment is really difficult. The work has started on the Water Park, another planning travesty, and our landscape is being impacted dramatically, we do not want to lose anymore of our countryside. Considering the size of Kingsmere, why on earth do we need more homes in the village. When the development on the edge of the allotments was developed, we were plagued by dust and noise from morning until night, and now we are faced with years of noise and disruption by the Water Park development, that should never have been allowed. Enough is enough. NO MORE DEVELOPMENT. FULLSTOP."/> |
