Comments	<input type="text" value="My main reason for objection to this planning is due to lack of sustainability, although there are many other reasons.
Our village already struggles with the volume of traffic which will only be made worse on completion of the Great Wolf project so really don't need another 147 houses!
We have a wonderful school which is completely full. We have no bus service at all and no safe walkway from the village to Bicester. We also have no shop.
The village has grown a lot over recent years with no improvement to the road infrastructure.
This additional planning for yet another 147 houses will have a huge detrimental impact to the village cohesion and character"/>
