Comments	<input type="text" value="No, no, no, no! When will this constant onslaught of building ever come to an end in Chesterton and more broadly the Bicester and surrounding village area? Surely the area has met Government quotas on numbers of new houses built here. We have the indignity of a water park being built here which will forever change what it is to live in Chesterton. Why oh why the need for yet another area of construction? I oppose the construction strongly on the grounds of the fundamental change, I believe negative, that it will have on the fabric of this hitherto village community. This planning application is not welcome."/>
