Comments	<input type="text" value="We do not have the infrastructure for this. We don't have the roads, the drainage, the schools. We are about to have a huge new water park that no one wanted and we just cannot support this new development. Children from both schools and the nursery will be endangered by the extra traffic and we have no bus/shop. We don't have enough pavements to even walk into Bicester. This is not a safe idea."/>
