<b>Comments</b>	<input type="text" value="I strongly object this planning application.&lt;br/&gt;&lt;br/&gt;This proposed development is far too large for our small village, it would add over 40% more homes and drastically change the characteristics and landscape of the small village. This development does not bring anything to the small village and would just cause more disruption. The local school is already at capacity, there is no local shop, no local bus and there is no safe walkway to Bicester.&lt;br/&gt;The local infrastructure is not fit for a development of this size. The roads are already congested, parking is a nightmare, and the drainage network is already at capacity. This development would just put more of a strain on the local infrastructure.&lt;br/&gt;&lt;br/&gt;Cherwell has already met its 5 year housing supply. The proposed location should be left as countryside for the village to enjoy."/>
