<b>Comments</b>	<p>There is so much build up in the Chesterton area now. I live on the Hale and will be impacted by not just building work but the traffic. The Wolf is opposite us and now these houses are being proposed next to us.</p> <p>I walk my children down to the Chesterton school. The school is not big enough and the cars that do the drop off while more traffic hurtles through the village is a safety hazard. No one is on The Hale doing anything about the speed that people come down it. They ignore the 30 like it's a suggestion. One day someone will mount the curb; And it's just going to get worse.</p> <p>There is no "planning" going on in and around Bicester, it's just a free for all.</p>
