Dear Mr Thompson

I would like to oppose the Wates development 23/00173/OUT between Chesterton and Li•le Chesterton on the following grounds:

- the local roads will not be able to manage with the addi•onal tra•c especially with the an•cipated Great Wolf Tra•c
- the local school does not have capacity for an increase in intake -there has been signi•cant development in the area already that includes both housing and the Great Wolf development
- it will reduce the green space between Chesterton and Li•le Chesterton

Yours sincerely

Anne Grant
