Good morning

Please could you put his comment on this application as I only just received information back from the Councillors.

OBJECTION - WITH COMMENTS

1. Any construction traffic should not come from the west (i.e. from the direction of Middleton Stoney), and there should be a routing agreement to this effect.
2. There is supposed to be both a cycleway and footpath that runs from Middleton Stoney to Bicester eventually which is a part of the Heyford scheme. Middleton Stoney Parish Council would like to see this represented on the plans for the entranceway into Himley Village.
3. The Middleton Stoney crossroads junction (B4030 and B 430) is already significantly above capacity, any approval should be on the basis that all traffic from the new site is not allowed to turn right in the direction of Middleton Stoney.

Would appreciate if this was added please

Kind Regards
Sarah Kearney
