Reserved Matters ref. 21/02180/REM, condition 6 statement

This statement is to confirm that in accordance with condition 6 of Reserved Matters consent ref. 21/02180/REM, the reconstituted stone proposed for the site is Bekstone, Oolite Cream Burford in the tumbled finish.

As we are not able to construct a sample panel on the site currently, the stone will be available to view on our nearby site where houses and boundary walls have already been constructed in this material. Please contact Vikki Roe to discuss further.
