<b>Comments</b>	<input type="text" value="Banbury cannot support further development. There is surely enough new housing and warehouses surrounding the town to meet demand. The roads are in a shocking and dangerous condition, the town centre is depressing suffering from the ' showcase' Gateway opening. The new development by the canal is welcome but the High Street is dismal. Only so much can be blamed on the economic down turn. Come on CDC - keep the green spaces GREEN. Ensure EMPTY properties are re-purposed and use brownfield sites before allowing further developments. I want to live in a town to be proud of. Have lived in Banbury for 50 years and am not a NIMBY but surely enough is enough!"/>
