Comments	<input type="text" value="We already have so much empty warehouse space in and around Banbury. You ask for people living in the Cherwell District where as this is right on the Northamptonshire border and directly affects those living in the West northants district. Dirft was created for this purpose so furyer development should be made there. The recent units built all stand empty. Junction 11 of the M40 is already a hotspot for accidents and encouraging more HGV traffic would exacerbate this."/>
