Comments	<input type="text" value="This is my second objection to the proposed project, extremely frustrating to think all previous comments & objections have been swept aside. I can't bear to think of more of our precious countryside being shredded in the name of 'development.' It is bad enough seeing the devastating effect of HS2 to neighbouring countryside. I chose Overthorpe because of the surrounding nature and open space - I can't believe anyone could even entertain the idea of building so close, particularly to our neighbours in Nethercote. We all supplied our contact details when we originally opposed the plans - it is outrageous to then remove us from updates when it so clearly impacts us, daily."/>
