Comments	<input type="text" value="Banbury does not need this developement there is a shortage of labour for existing jobs as it is. The massive warehouse units already built are a total blot and not occupied. The traffic on this junction is already too much and gridlocked most days. The land they want to develop is ancient ridge and furrough more warehousing will ruin the beauty of the area and entrance to the town. Flooding would be a big issue and the affect on wildlife is devestating already. Please don't allow this to happen. We need to leave green spaces green this development is to make money for the developers at the expense of the town."/>
