<b>Comments</b>	<input type="text" value="We do not need anymore warehouses/industrial units built along the A361 past Chacombe or towards Williamsote. Neither do we need these units built up towards Middleton Cheney. Once you start building here it will grow just like the other side nearer Banbury has done - look at all those units along the motorway. If you allow this planning to go ahead the flood gates will be open and then where will it stop. Also in the current economic climate who would purchase said units. I really do think this is a very bad idea."/>
