This site is disproportionate to its surroundings and is destroying an area of natural beauty.

The residents of Edgecote and Wardington who are already suffering with HS2 Planning decisions will be heavily impacted:
- the proposed mini roundabout is going to cause a further build up of traffic to get across Banbury or nearby areas. People will be forced to make career, nursery and school choices because the traffic there is will be so problematic.
- the scenery and wildlife are integral to the character of the area. We should not destroy these habitats.
- The noise and air pollution quality will be impacted for neighbours.
- I know the warehouses that are built and proposed would have made me reconsider when I was purchasing a house in the area, partly as they deform the character of the villages and partly because of the inconvenience of the traffic.

As a resident having seen the first warehouse " we="" we,=""/> Yours faithfully, Claire Dalbeck PS the privacy terms and conditions link is broken on this form"/>
