Comments	<input &="" and="" banbury"="" character="" concrete="" for="" gateway="" is="" land.<br="" of="" position="" the="" this="" to="" type="text" unsuitable="" utterly="" value="This is yet another cynical attempt to manipulate the planning process, but I made my objection very clear in my response to the previous, almost identical application No. 22/01488/OUT. I am re-confirming my strong objection, and echo the views of Middleton Cheney Parish Council as follows:
1. Environmental impact, particularly noise and light pollution from increased traffic and deliveries, from an already over-saturated & broken road network.
2. Blot on the landscape as " warehouse=""/> 3. Cherwell local development plan references for heritage assets. This site has furrows from past farming techniques, conservation of tranquility and biodiversity and environmental character. These plans pay absolutely no regard to these statements, by planning a Concrete & Warehouse Jungle. It is shameful. There is simply no need for this development, so in case you are in any doubt whatsoever, I strongly object to this planning application."/>
