Dear Cherwell District Council Planning Department,

I, Sue Etherington-Smith live at Dower House located next door to Hill House, which is the subject of the application. I am the sister of the applicant, Jane Fletcher.

I moved into Dower house with my family in 1987 and I have a good knowledge of how the Shed has been used. The Shed has always been considered as part of Hill House and has been used as a shed by Jane's family since I have lived here. The main activities within the shed have been a hang-out for the children/teenagers where they have carried out their hobbies, storage of bikes gardening tools and other belongings and a home office.

Should you require any further information please do not hesitate to contact me.

I understand that proceedings for contempt of court may be brought against anyone who makes, or causes to be made, a false statement in a document verified by a statement of truth without an honest belief in its truth.

I believe that the facts stated in this statement are true.
