Dear Cherwell District Council Planning Department,

I live across the valley from Hill House, I moved here in 1983. At that time, the shed at Hill House was having building work done which looked like replacement windows and doors. The main household at Hill House used the shed as an extra living space/utility area. The Fletcher family used it for painting, drawing, and general craft/creative projects. As the children in the house grew older, the activities changed. The children spent time in the shed with their friends.

Throughout the time I have lived here, the building has been used as a utility area for the main house.

Should you require any further information please do not hesitate to contact me. My phone number is: [REDACTED]

I understand that proceedings for contempt of court may be brought against anyone who makes or causes to be made, a false statement in a document verified by a statement of truth without an honest belief in its truth.

I believe that the facts stated in this statement are true.
