<b>Comments</b>	<input a="" and="" corridor="" entrance="" gateway="" is="" of="" the="" to="" town.<br="" type="text" ugly="" units",="" value="I object to the proposal.&lt;br/&gt;&lt;br/&gt;Banbury is becoming known for the "/> The development will generate more traffic stretching the already over capacity local road network. the open space to the East of Banbury is a valuable asset and should not be turned into acres of concrete. This development is justified on profits for the developers at the detriment to the local people of Banbury.  I agree with the many other reasons for objections made by other Banbury and local residents.  The land to the east of Banbury / East of the M40 should be designated as protected green space to stop the relentless development applications."/>
