<b>Comments</b>	<input type="text" value="There is no need for more warehouses. The two at present built are still standing empty. The extra traffic generated will make the M40 roundabout at Banbury even more congested than it is already, and the A361 is already very busy. making it a more dangerous road. It will set a precedent for more building on the east side of Banbury, creating ribbon development and light pollution. I object most strongly and urge you to reject this unnecessary application. Thank you for your time."/>
